

“Christmas Centerpiece”

using pattern #307

1. Refer to CrossRoads, #307 for yardage and directions to make this quick Christmas project - perfect for home decor or gift giving.
2. Note: the Christmas model shows the Y3 pieces to be the same fabric as color #2. The yardage given for color #2 is sufficient to allowing cutting of one more 2-1/2" strip.
3. Holly appliques are given here. The three berries were cut as individual 3/4" circles and placed as needed.
